BONUS Cards for AFR's "MONDAY NIGHT TIGHTS" with FACE TO THE MAT Pro Wrestling Game

In late 2018, Steve Tower joined us for the second annual "All Hallow's Eve" webcast on the PLAAY Games YouTube Channel. One of the events of the webcast was a preview of the new 2019 Wrestling America Federation card set for FACE TO THE MAT Pro Wrestling Game. Steve then featured the set on his own AFR Sports Board Game YouTube channel, getting a great response. And just like that, AFR's "Monday Night Tights" was born! It's a weekly wrestling show not unlike what you get on TV, with all the plot twists and storyline fun.

In the AFR wrestling universe, the WAF's "Committee" has heightened its profile, with the committee members taking on new, sometimes individual roles. To facilitate that, we created separate cards for each of the members of The Committee, which Steve is now using on his shows. Viewers of the show—many of whom have their own copies of the 2019 WAF cards—asked if THEY could get the individual cards, too. We're happy to oblige! And, as long as we're adding to the WAF legacy, we've created a few MORE bonus cards for the set!...

Bob Hansen and **Mark Russell** are well-known in PLAAY Gamer circles for their enthusiasm, creativity and fair play. Both are regular viewers of Monday Night Tights, and we thought it would be fun to "get them into the game" themselves. **Deb Russell** is Mark's wife, who is a good sport and sports fan herself—she accompanied Mark to the PLAAY Games Pittsburgh hockey event. We left her card a bit open-ended to expand the story line possibilities! And **Doug Smoles**? Well, if you've been connected for awhile with our Baseball America series for HISTORY MAKER BASEBALL, you KNOW who Doug Smoles is! Think Dave Kingman with extra attitude. Smoles starred in AFR's early BA broadcasts, and (if I remember correctly) hit a home run in his career at-bat!

We hope you enjoy these new bonus cards for the WAF—whether you plug them in to your own WAF federation action, or just keep them on-hand while you're watching the fun on AFR!
