Too many Major Leaguers to list but with this set you will notice that not every player is rated prospect as with other sets.

Players who spent a fair amount of time in the Majors and finished in the minors or spent a rehab assignment there were either Icon, Semi-Icon or No Experience quality (Fred Beene, Charlie Spikes, Boots Day to name a few).

Other players who might have spent a small amount of time in the majors and were sent back for more seasoning may have a Semi-Prospect status (Nyls Nyman etc).
