

Ultimate Football Movie All-Stars ★ SECOND SEASON Pro Football Game

by Keith Avallone, PLAAAY Games

With Chad McEvoy's Movie Star baseball cards for HISTORY MAKER BASEBALL as inspiration, I decided to create a comparable freebie for SECOND SEASON football! For reference, I used Chris Ostrander's Ultimate Football Movie Roster, published online in 2013, and Doug Farrar's "Silver Screen All-Pros: Starting Line-up of Cinema's Best Football Players," published in 2015. The result is a team of 54 movie football players (well, there are a few from TV, too), from QB Paul Crewe from "The Longest Yard" (the original, Burt Reynolds version) to Bobby Boucher, Jr. from "The Waterboy," to PK Nigel Gruff from "The Replacements." Of course, I have probably intentionally over-rated these players so as to make them pretty tough to beat, so that if there are any Brady-Haters out there (... "if?") you can perhaps get some satisfaction by sending the Pats against the Ultimate Movie All-Stars. (Of course, what if New England wins? THEN what?)

Anyway, here's a roster of all the players, grouped by position and listed under their movie name, with the actor's name in parentheses, followed by the name of the movie from which the player is derived. Hope you have fun! These guys should be able to beat pretty much anybody!
